

# Cost Savings Worksheet

## Save Money and Switch to VoIP

Eliminate the hassle and expense of owning and operating your own phone system. With Hosted Voice over IP (VoIP), simply connect your new office phones to your existing network—and access high-quality calling, advanced features, and easy management for one low monthly price.

To understand your potential savings, use this worksheet to determine, from a financial perspective, just how much how much you are currently spending — and how much you can save by switching to a Cytracom VoIP solution.

Calculate your MONTHLY savings by switching to Cytracom's VoIP solution

A	How many employees do you have at all locations?	
B	How much do you currently pay for phone services per month?	
C	How much do you pay every year in annual fees and/or maintenance and support fees?	
D	Cytracom estimated cost per month $A \times \$28$	
E	Monthly savings $B + (C / 12) - D = E$	

This is just an estimate. Please contact your sales person for a formal quote.
